Enhanced Service Plans

OUR ENHANCED SERVICE PLANS ALLOW SELECTING THE LEVEL OF SERVICE YOU NEED TO KEEP YOUR CRITICAL EQUIPMENT UP AND RUNNING, REDUCE THE NEED FOR SPARE PARTS AND EXTEND THE PRODUCT WARRANTY / PERFORMANCE. ANNUAL SERVICE PLANS ARE AVAILABLE FOR EQUIPMENT ALREADY INSTALLED.

Site Audit Services

KEEPING YOUR FACILITY EQUIPMENT UP TO DATE ALLOWS YOU TO MANAGE YOUR NETWORK CAPABILITIES AND EXPANSION NEEDS. OUR SITE AUDIT SERVICES WILL GIVE YOU THE DETAILED INFORMATION ON ALL EQUIPMENT AT YOUR SITES WHEN YOU NEED IT TO ACCURATELY FORECAST FUTURE REQUIREMENTS.

Integrated Solutions

WE OFFER A COMPLETE LINE OF SERVICES FROM DESIGN TO INFRASTRUCTURE TO PRODUCT INSTALLATION. OUR INTEGRATED SOLUTIONS ARE DESIGNED TO ENSURE THAT YOU CAN RELY US AS EXPERTS FROM DAY ONE TO THE COMPLETION OF THE PROJECTS.

Installation Services

OUR SERVICE EXPERTS, HAVING VAST EXPERIENCE, ARE DEDICATED TO MAKE SURE YOUR DEPLOYMENTS ARE SUCCESSFUL. A DEDICATED TECHNICAL TEAM IS PERSONALLY RESPONSIBLE TO PLAN AND OVERSEE ALL PROJECTS THAT INCLUDE ANY “HOT WORK” TO AVOID ANY OUTAGES.

Custom Services

WE CAN CUSTOMIZE OUR SERVICES TO MEET YOUR SPECIFIC NEEDS USING OUR INTERNAL AND PARTNER RESOURCES. PLEASE CONTACT US FOR ANY LOGISTICS, QUALITY ASSURANCE OR CONTRACTING REQUIREMENTS THAT YOU HAVE OR WOULD LIKE ADDITIONAL INFORMATION.

After Sale Services

We are committed to provide quality after- sales services to our valuable customers.

Our engineers are our strongest assets, and we make sure that they are fully trained and capable of dealing with any problems that may arise. We invest heavily in training of our engineers; sending them around

the world to receive the best training available.

Workshop Facilities

Workshops maintained by us are equipped with latest diagnostics equipment, trained Engineers, Test equipment and backup spare parts inventory to offer best after sale services to our valuable clients

Availability of Spare Parts

We invests heavily in maintaining a local spare parts inventory, in order to achieve the highest possible uptimes and to deliver quality service. Parts are managed and stored in a professional manner to ensure their safety and easy availability. We are constantly replenishing and updating our spare parts inventory.

Quality Policy

WE ARE COMMITTED TO SERVE OUR CUSTOMERS BY UNDERSTANDING THEIR REQUIREMENTS AND ENDEAVORING TO MEET THE SAME SAFELY, PROFESSIONALLY, RELIABLY, TIMELY, ECONOMICALLY & CONSISTENTLY.

WE ACHIEVE THESE STANDARDS THROUGH A COMPETENT TEAM, QUALITY MANAGEMENT SYSTEM, PROPER PLANNING, OPTIMAL USE OF RESOURCES AND BY CONTINUALLY IMPROVING THE SYSTEM AND MAKING IT EFFECTIVE.

TO ACHIEVE THE ABOVE, QUALITY OBJECTIVES ARE ESTABLISHED AND PERIODICALLY REVIEWED BY THE TOP MANAGEMENT.

Health, Safety and Environmental Policy

WE ACCEPT OUR RESPONSIBILITY TO PROTECT THE ENVIRONMENT, HEALTH AND SAFETY OF OUR EMPLOYEES. ENVIRONMENT, HEALTH AND SAFETY ARE THE CORE VALUES OF THE COMPANY AND ARE MANAGED AS AN INTEGRAL PART OF OUR BUSINESS.

MESSAGE FROM CEO

We like to see business through the eyes of our customers. Our people are our main asset. With every product and every project, it is our people, who make the real difference.

THIS DEDICATED TEAM OF PROFESSIONALS OUR MOST
IMPORTANT ASSET

NO JOB IS TOO BIG OR TOO SMALL FOR US
